Seconds: Neil Budworth welcomed the group and noted that there were a large number of apologies for today’s meeting for many and varied reasons outside people’s control.

Neil Budworth reported that he had received a letter from FOM and SOM confirming that they were reluctantly leaving POOSH as they do not have the resources to support both POOSH and the Council for Work and Health. It was agreed that NB would write to them expressing POOSH’s regrets and thanking them for their input.

2. Minutes of the meeting held on 28 September 2010
It was agreed that the minutes of the meeting held on 28 September 2010 was an accurate record of the meeting.

4. Minutes of the Summit held on 26 November 2010
It was noted that the draft minutes had been sent to Geoffrey Podger and Peter Brown for approval prior to publication.
Two questions had been raised: a) should POOSH take a position on the mix and level of activity of the HSE in relation to guidance, information and enforcement and b) to what extent should POOSH try to influence the HSE agenda, rather than react to it.

**Action: Secretariat**

The summit had attracted a good level of attendance and was felt to have been useful. This suggested that POOSH might work in a different way, which would be more effective for the member organisation. Suggestions had been made that POOSH may consider having three meetings per year. The first meeting to prepare for a meeting with a significant speaker; the second to be a summit type meeting with a senior player and the third meeting to review and develop actions from the summit.

5. **Matters arising from the Summit meeting on 26 November 2010**

NB reported that he would contact Professor Dame Carol Black to see if she may be willing to attend a POOSH meeting (or to send a deputy) in February 2011. The date of the February 2011 meeting would be arranged to fit in with Dame Carol’s availability.

**Action: Chair / Secretariat**

It was also suggested that Chris Grayling should be invited to a future meeting to talk about the role of the professional bodies in ‘the Big Society’.
